

## **SECOND UPDATE ON THE CORONAVIRUS AND THE APRIL BLISS CRUISE CHARTER.**

As new developments occur we will continue to update our valued clients. We know everyone is concerned about the Coronavirus as well as how it impacts our April charter. We, at Bliss, are concerned about your health and safety and are working with the cruise line to determine the best course of action.

Celebrity is planning to host the Bliss Charter and we are making final arrangements. For guests who would prefer to transfer to a future Bliss Charter, subject to the transfer fee, please contact your Travel Agent to make arrangements.

Celebrity has implemented rigorous safety and security screening procedures while sailing during this advisory period to keep the ships clean and the crew and passengers healthy. During the boarding procedure, Celebrity will take your temperature. If you have a temperature over 100.4 degrees Celebrity will conduct a second screening and you may not be able to board the ship. Additionally, guests who have traveled from China, South Korea, Japan, Singapore or Italy within the previous 2 weeks may not be allowed to board.

There have been no incidents on any Celebrity charters or cruises. Current Celebrity INFINITY charters are operating normally.

Be good to yourself in these coming weeks to keep yourself strong and healthy. Practice frequent and thorough hand washing.

We will continue to monitor the situation and keep all of you updated.

We appreciate your being part of our community. Thank you for your support as we continue to create incredible lifestyle cruises!!!
